Selectmen's Meeting

ACUSHNET ROAD HEARING

A public hearing was held upon a proposal to take 850 feet of a stretch of land along Acushnet Road in order to ease the sharp curve just west of the Housing Authority street. Mr. Harold A. Magee was the only abutter present and he made no objection to the plea.

The layout will be presented for Town Meeting approval at the next opportunity.

MATTAPOISETT INN DISCUSSED

Mr. Richard Lagreze, Mattapoisett Inn owner, met with the Board of Selectmen in a candid discussion of present and future plans for the Inn. He said that the property is of great historical value and is a definite asset to the town. He wants to see the Inn as a first class country Inn. He said that there has been a change in management and asked that Robert W. McKay be designated manager in residence for the present. Continuing improvement

for the Inn is the hope of Mr. Lagreze who is investigating a sprinkler system.

The Board of Selectmen thanked Mr. Lagreze for his frank presentation and assured him that they are concerned principally with public safety and the proper handling of the liquor license. Chairman R. William Blasdale noted that the previous manager had operated extremely well and no complaints about noise or disturbance had been received. Mr. Lagreze said that this quiet operation would continue as he is aware of the close proximity of residents.

WHARF BUSINESS

Wharf Commissioner Edward Alves conferred with the Board regarding the wharf meeting held while he was out of town on National Guard duty. The Selectmen assured Mr. Alves that the complaints were directed toward fishermen and arose out of spontaneous conditions and were not in criticism of the way the wharf has been managed. They said that police will be asked to regulate the area on a continuing basis as far as parking is concerned. The motion was made and passed to keep the

Mr. Blasdale suggested that a folder be kept on wharf business so that all steps can be recorded on a continuing basis so that incoming wharf commissioners could immediately be aware of preceding business and that the Selectmen's office would also be informed fully.

PETITION PRESENTED ON SAUNDERS AVENUE

A petition has been presented to the Board of Selectmen by 25 residents of Saunders Avenue who object to a proposed change of name to "Crook's Way". David E. Crook, developer and builder, had informed these residents of the proposed change. These residents asked that they be informed if Mr. Crook contacts any board or agency for formal approval of the name change so that they can express their views in a public hearing. The Saunders Avenue residents stated that any such change will cause them considerable inconvenience and expense.

FLOODING COMPLAINT

Mr. Ted Bryant of Old Marion Road appeared to inform the Board of Selectmen about flooding conditions on his property. He said that an extension of the street drain through private property by the builder who filled it had been crushed and filled. The Board of Selectmen assured Mr. Bryant that they will ask High-

RESIGNED FROM FINANCE COMMITTEE

Mr. David McIntire submitted his resignation from the Finance Committee effective July 31, 1977. He stated that it was a privilege to serve with the many dedicated town officials, employees and citizens serving on the various departments and committees. "Mattapoisett is fortunate to have so many citizens who care and are willing to work for their town."

Mr. McIntire said that increased demands of an expanding business caused him to resign. The Board of Selectmen accepted the resignation with deep and sincere regret and with appreciation and thanks for Mr. McIntire's service. The Board asked that anyone interested in serving on the committee send a brief note to their office.

PUBLIC FACILITIES PROBLEMS

Selectmen discussed the Ned's Point Park rest rooms. Vandal damage has been such that steel door installation is suggested. They will consider it.

The Town Wharf rest rooms have had the plumbing renewed following the theft of all

TOWN WATER 100% PURE

The Town Water Department reported to the Board of Selectmen that state engineers found no bacteria in town water samples taken from various areas of the water system.

APPROVED PROJECT ORIENT

The Board of Selectmen approved a request from Project Orient Collaborative to bring 15 children enrolled in their summer project to the Mattapoisett beach once a week in the morning from July 5 until August 12. The Selectmen stipulated that the Project Orient assume all liability and made the provision that Mattapoisett children are part of the program.

BUILDING INSPECTION

The Board met with Building Inspector Jonathan DePina concerning public building inspection to conform with fire laws. Mr. DePina said that he is making good progress in this certification.

BRINGING UP BABY

By Mrs. Dan Gerber

"I want to do it myself." Babies usually begin to want to do their own spoon-feeding sometime after six or seven months of age.

When it's a problem, why not give the child a spoon to practice with while you feed with another spoon? He or she can best manage a short-handled baby spoon with a large bowl.

When baby begins drinking from a cup, you can reduce spilling if the cup contains only a little milk or fruit juice. Gradually increase the amount as the baby becomes better at managing a cup. A sip or two at a time is enough in the beginning.

Save for a College Education

There are a lot of good reasons to save money and helping people to save money is our business. So if you want to send your children to college, start a savings account for them today. Remember, they're looking to you for guidance.

King Kong Art Contest!

Participants in our summer reading program are invited to enter our King Kong art contest. You can use any art form; we will display the entries in the library during the month of August. Winners will be announced on August 31st at the party to celebrate the end of the reading program.

We will be running two free film series during the month of August. The first four Mondays of August at 8 P.M. we will show hour-long programs of short films. They are geared toward young adults (ages 12 to 17 years old) but everyone is invited to attend. Thursday evenings at 8 P.M. we have a five-week program of feature length films of the 1940's.

The summer edition of the Consumer Information Catalog is in. This is a listing of inexpensive or free government pamphlets. The catalog is free for the taking and can be picked

Letter to the Editor

In the July issue of the Country Journal appears an article entitled "The Poisoning of Cape Cod". It should be on everyone's required reading list. The gist of it is that the Cape is using its ground water faster than it is being replaced, while polluting it with sewage and trash disposal areas.

A quotation from the article is food for thought:

"Cape Cod's future is uncertain at best. Without an adequate supply of safe drinking water, Cape residents really have but one alternative - abandon their homes, schools and communities. Many Cape residents have already taken in dangerous substances with their drinking water. It is also clear that if present practices continue, the number who ingest such toxins will increase. The Cape's rapidly rising population can only

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that **we have decided to install a direct, toll-free "'Hot Line"** for these customers. We have **our plumber, Chet, who is a local resident** and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it is new customers we are looking for.

exacerbate the problem.

"In less than fifteen years, four municipal wells on Cape Cod have been sealed off due to contamination. At Otis Air Force Base a well capable of providing one million gallons per day was lost to petroleum contamination. It is still toxic fourteen years after closing. In Yarmouth there have been two major closings in the past three years; one due to salt, the other to herbicide contamination. Provincetown's last well was closed due to salt and iron contamination. Provincetown's residents are now completely dependent on neighboring Truro for water. One of Truro's two wells has recently shown the early signs of salt contamination."

The Selectmen of Mattapoisett have done a better job of planning and preparing for future growth than the Selectmen in many Cape communities. This does not mean that we can let down our guard. We must make doubly sure that our lowlands particularly

are properly protected from an over-development that will contaminate not only our beaches and shellfish, but also the Mattapoisett River Valley that supplies the well water for both Mattapoisett and Fairhaven.

If the Cape becomes "uninhabitable" for lack of potable water, it won't take them long to find Mattapoisett. Have you seen the "great white way" of Hyannis lately? If we have something like that, a few of our townspeople will make a lot of money overnight, probably at the expense of the rest of us. Personally I would rather keep Mattapoisett something special. Wouldn't you?

"Godspell" Returns

VILLAGE PLAYERS TO PRESENT "GODSPELL"

On Tuesday, July 26, the Village Players will present its second show of the season with the rousing Broadway rock opera, "Godspell". Because of the great success of last year's production of "Godspell" and the limited seating in the theatre, seven more performances of the rock musical will be presented at the Marion Art Center opening July 26 and playing through the 31st with a matinee on Sunday at 2. The same highly talented and bubbling young cast will be back to make this year's production better than ever.

Get your reservation now by calling 748-1266. A Sunday matinee will have special student and senior citizen rates. I.D.'s will be necessary.

Remember, you haven't seen "Godspell" until you've seen it in Marion by the Village Players.

YOUTH NAMED TO DEAN'S LIST

Boston's Berklee College of Music announces that Orlando R. Pandolfi, son of Mr. and Mrs. John R. Pandolfi, 10 LeBaron Way, Mattapoisett, has earned placement on the dean's list for the spring semester of the 1976-77 school year.

To be eligible for this honor, a student must maintain an academic average of B plus (3.3 out of a possible 4.0) while carrying a full program of studies.

Orlando is majoring in Professional Music Studies. His curriculum includes courses in solo and orchestral performance, improvisation and arranging, as well as courses in the humanities. Upon graduation from Berklee, Orlando Pandolfi will be qualified as a teacher, arranger/composer and instrumentalist.

The Way We Were

Editorial, D.C.J.

1976 was a pleasant year principally because we had occasion to reflect upon our beginning - our ideals. Our start was so vigorously simple, so energetic, so self-reliant that it seems more light years past than two centuries. How different our concepts have become even about such basic values as freedom. How differently we now regard people who produce as compared to people who do not. Massachusetts' Governor Dukakis, faced with tremendous welfare costs to keep able bodied welfare clients in the style to which they have become accustomed, has proposed a work program to let such people contribute something for their keep. He is badly hampered by the Federal Court decision that terms this slave labor. Strange indeed, isn't it? Not slaves, apparently, are those working taxpayers who are forced to contribute an ever increasing part of their pay to keep a privileged class of welfare clients in leisure. Even back a little more than 100 years ago that's not the way slavery was defined.

A second recent and strange concept of privilege is President Jimmy Carter's idea of citizenship. According to the Carter doc-

trine as soon as the citizen becomes a productive businessman he becomes an alien as far as the post office is concerned. Citizens will soon pay a less exhorbitant rate for first class mail (although increased) than the businessman. In other words as soon as the citizen walks through his office door and starts contributing to the U.S. economy he becomes a functional alien. He will be socked with a super exhorbitant postal rate. This will lead to a sharp decrease in volume, which will lead to a greatly accelerated loss, which will lead to an ever increasing rate for postage even for the privileged citizen (Jimmy Carter's version).

Winston Churchill had a quote which expressed it very well. He said, "Democracy is the worst form of government there is excepting, of course, all of the rest."

Right on! Winston.

Rochester Seniors

The Senior Club is sponsoring a boat ride to Nantucket on Monday, August 8, with rain date to be Monday, August 15.

Seniors are to meet at the Rochester Town Hall parking lot at 8 A.M. where arrangements will be made to leave as a group, with instructions for the arrival of the cars at the pier in Hyannis.

Plans have also been made for lunch at Captain Toby's Chowder House in Nantucket.

The trip is open to all seniors with no need to be a member of the club. Reservations must be made before Saturday, July 30, by calling Ms. Irene George at 295-9364.

PICNIC OUTING

Fifty-two members and guests of the Senior Citizen Club attended the Picnic Outing at the home of Ms. Marion Hartley on July 11th.

It was simply a fun day with the various sports, games and water activities.

We are now featuring a beautiful new line of invitations and announcements

Ms. Dorothy MacLean provided the music with her guitar for community singing. Our thanks to Ms. MacLean. It was most enjoyable and we are looking forward to having her lead us in a singing session again real soon.

To those who prepared the food, our thanks go to Stanley Gonet as the chef, assisted by the Ms. Louise Leger, Estelle Bergeron, Irene George, Isabel Preston and Delma Jacques.

A very special thank you to our gracious hostess, Ms. Marion Hartley, for her hospitality.

The day was beautiful - the food delicious - and a good time was had by all.

A THANK YOU

I would like to thank Officer Robert Souza and the Mattapoisett Rescue Team for their quick response and action in our recent accident.

MOVIE AT ART CENTER THIS WEDNESDAY

"Bad Day at Black Rock" is the movie to be shown at the Marion Art Center this Wednesday, July 20th, for the Art Center's Summer Film Series. It is the story of a one-armed stranger who encounters hostile reactions from the community's 37 inhabitants when he asks about a Japanese-American farmer to whom he is delivering a war medal. The movie stars Spencer Tracy, Robert Ryan, Lee Marvin and Ernest Borgnine. The movie will be shown at 7:30 P.M. at the Art Center Theatre in Marion.

A THANK YOU

The annual running of our Mattapoisett Five Mile Road Race requires the cooperation and effort of many individuals and groups. The timers, spotters along the route, police assistance, recorders of times, the Mattapoisett Track Club for their invaluable donations of bus and loud speaker, Mr. Joseph Bauer for his donation of the Grand Marshall's "limousine"; these, and many other contributions clearly demonstrate the kind of collective action that can move mountains for good cause. Thank you all.

Sincerely, Bob Gardner

Mattapoisett Grange

There will be a meeting of the Mattapoisett Grange Thursday night, July 21st, in the Grange Hall. We have been notified of the amount of award money we will receive from the Massachusetts Department of Agriculture for the annual Fair. We would like to have anyone planting a garden to share in it. The story is Agriculture is taking part in the Energy Programs, so let's help the farmers in our small way. We hope the premium lists will be ready Thursday night. We need the members to be present.

ST. PHILIP'S CHURCH

The Rev. Frederick Q. Shafer, chaplain of Bard College and Professor of Religion at that institution, will conduct the services and be heard as preacher at the Episcopal Church, St. Philip's, in Mattapoisett next Sunday, July 24th, and on July 31st also.

Mr. Shafer's subject for his sermon on the 24th will be "Death and the Dream of a Second Life". He is a Fellow of the American Society for Psychical Research.

Celebration of Holy Communion will be offered at 8 A.M. at St. Philip's with morning prayer and sermon at 10 o'clock. The Shafers reside at Annandale-on-Hudson, New York where Bard College is located. Mrs. Shafer is a widely published writer. They have three children.

Worshippers in all faiths are welcome at St. Philip's Church which is located on the waterfront. The congregation welcomes this return engagement of the Rev. Frederick Q. Shafer to the St. Philip's pulpit.

pointment of new Trustees. The Board consists of fifteen members, each names for a three year term. Among those appointed at this year's annual meeting was John D. Gibbons of Mattapoisett.

Mr. Gibbons is President of the John D. Gibbons Company of Mattapoisett, a Real Estate, Painting and Contracting Firm. He is a Mattapoisett native and a graduate of the Portsmouth Abbey School and the Massachusetts Maritime Academy. At one time, he was the youngest commissioned Captain in the United States Merchant Marine and currently holds a Master's License -- all oceans, all tonnages -- as well as an East Coast Pilot's License. He is the past President of the Plymouth County Assessors' Association and is currently Assessor in the Town of Mattapoisett and a Trustee of the Fairhaven Savings Bank. He is married to the former Vera Converse of Marion and has five children, all of whom have attended Friends Academy.

N. B. Whaling Museum

New Bedford's Whaling Museum overlooks the historic waterfront area from atop Johnny Cake Hill.

This winter nearly brought disaster to this proud landmark. A series of gas explosions and fires leveled buildings on both sides of the Museum. Miraculously, except for losing all windows and doors through the explosions, the Museum's irreplacable collections remain intact.

This week a huge crane blocked off the cobblestoned hill to traffic as it hoisted the final 20-foot window into place at one end of the Bourne Building. This huge building houses the half-scale whale ship, LAGODA, a favorite with families who climb aboard each summer.

YWCA - SENIOR AIDES PROJECT

The contract for the local Senior AIDES Project has been extended another year through June 1978 by the National Council of Senior Citizens. Local sponsor of this employment program for older persons is the New Bedford YWCA. It is funded at $185,458 by the Department of Labor under the Older Americans Act Title IX, the Community Service Employment Program.

It is expected that additional job slots will be available. The program currently employs fifty people on a part-time basis in non-profit or public service jobs. Twenty more positions are funded by the local CETA Consortium on a different contract.

Aides work in over twenty-five different host agencies, performing a variety of tasks to meet community needs. Oldest worker in the New Bedford area currently is Ulric Audette of New Bedford, who, at age 82, recently received a special certificate from Secretary of Elder Affairs Callahan at a state meeting in Braintree.

To be eligible for participation, a person must be 55 years of age or older and be within the limited income criteria. Anyone interested in learning more about the program and eligibility should contact the Project Director, Frank Gracia, at the YWCA.

Initiated in this area nine years ago as one of the original ten cities taking part,

HISTORICAL SOCIETY EVENTS

The large display of pictures from out of Mattapoisett's past of people and places is at the Mattapoisett Historical Society Museum for the summer. The display will be changing throughout the summer.

The Oscar St. Jacques furniture display is the special exhibit for the month of July.

This Wednesday, July 20th, and next week, the 27th, the June week of Bicentennial events will be presented in a slide program at 8:00 P.M. in the Museum.

On the evening of the 20th the parade pictures will be viewed, and on the 27th other Bicentennial events will be shown.

The Museum will be open to the public both these evenings, so plan to come early to view the special exhibits. The Museum will open at 7:00 P.M.

Museum hours are: 2 to 4 P.M. Tuesday
